VISITORS POLICY

Please Read! The Camp Visitor Policy has changed: It is the responsibility of the camp staff to protect your child while at camp. Our staff has submitted to a national background check and training. Unlimited visiting puts your child at higher risks and interferes with the camp schedule. We have revised the visitor policy to the following:

Parents, grandparents and guardians of an overnight camper may visit during the lunch hour or dinner hour and will be limited to the Canaan building and front porch area. These specific visiting hours will be assigned by the director(s) of each week and can vary depending upon their schedule. This information will be available at registration. The visitor will be required to check in (at Canaan) immediately upon arrival and check out when they depart. Visitors must leave the campground once the visiting period is over. If visitors desire to share a meal with their child that can be scheduled for Tuesday evening at a cost of \$10 per person and must be paid for at registration. No birthday parties or such should be planned during a camp visit. No entrance into bunk cabins are permitted except on Sunday when moving a child into the cabin. If clothes or medicine need dropped off, or if a camper needs to be picked up for an appointment or activity, the responsible adult must come to Canaan and report to the Director or his designee to sign the camper out/in. Your camper will be retrieved for you. This visitor's policy does not include the Summer Youth Series on Monday nights during high school and 7th & 8th grade weeks.

LEAVING THE CAMPGROUNDS

- If campers must leave the campground for sports or other activities, **they must inform the director** and sign out.
- Parents should inform the director and sign the camper back in when they return.
- Parents must submit in writing the names of any persons with whom camper will be allowed to leave. The person picking up the camper is responsible for signing the camper out/in and informing the director each time. Identification will be required.. other adult staff.

Campers are expected to remain on camp premises at all times.
